Statements regarding financial matters in this press release other than historical facts are “forward-looking statements” within the meaning of section 27A of the Securities Act of 1933, Section 21E of the Securities Exchange Act of 1934, and as that term is defined in the Private Securities Litigation Reform Act of 1995. The company intends that such statements about the Company's future expectations, including future revenues and earnings, and all other forward-looking statements be subject to the safe harbors created thereby. Some of the factors that could cause actual results to differ from expected or desired results are funding not being secured, agreements not being completed in a timely manner, political climates and other issues. Since these statements involve risks and uncertainties and are subject to change at any time, the Company's actual results may differ materially from expected results.
