Strategic Internet Investments Incorporated Appointment of Director

KALISPELL, MT,- January 28, 2016 - Strategic Internet Investments, Incorporated (OTCBB – SIII) (hereinafter “SIII” or the “Company”) is pleased to announce the appointment of Dr. Ralf Zabel as Director of the Company.

Dr. Ralf Zabel has comprehensive and senior-level experience in renewable energy, construction and engineering related fields. For the past 20 years, he has been involved in major engineering projects in the Gulf region and has successfully managed and handled investments in the Middle East on behalf of major German private entities.

Currently, he serves as Managing Director of Star World Leisure & Entertainment GmbH, a company specializing in European knowledge transfer to the MENA region; CEO of Matterhorn-Grillstein AG, specializing in project financing and project management; and is a Senior Partner at Terra Nex Financial Engineering AG, a Swiss-regulated wealth management company, where he has been an Executive Board Member since the company’s incorporation. He also has served on the Board of Directors for Terra Sola AG and Terra Sola Group since 2012.

Dr. Zabel is a summa cum laude (undergraduate) and magna cum laude (Ph.D.) from Dresden University of Technology. He has a doctorate degree in engineering from the Faculty of Transportation and Traffic Sciences (Friedrich List).

On behalf of the Company

Abbas Salih
President and CEO

About Strategic Internet Investments, Inc.

As outlined in previous press releases, SIII is involved in the areas of real estate acquisition and development and is pursuing various business acquisitions.

Notice Regarding Forward-Looking Statements

This news release contains "forward-looking statements." Statements in this press release that are not purely historical are forward-looking statements and include any statements regarding beliefs, plans, expectations or intentions regarding the future. Actual results could differ from those projected in any forward-looking statements due to numerous factors. Such factors include, among others, the inherent uncertainties associated with developing new products and operating as a development stage company, our ability to raise the additional

funding we will need to continue to pursue our business and product development plans, competition in the industry in which we operate and market conditions. These forward-looking statements are made as of the date of this news release, and we assume no obligation to update the forward-looking statements, or to update the reasons why actual results could differ from those projected in the forward-looking statements, except as required by applicable law, including the securities laws of the United States. Although we believe that any beliefs, plans, expectations and intentions contained in this press release are reasonable, there can be no assurance that any such beliefs, plans, expectations or intentions will prove to be accurate. Investors should consult all of the information set forth herein and should also refer to the risk factors disclosure outlined in the reports and other documents we file with the SEC, available at www.sec.gov
